The addition to the Cadre sanctioned in the above order does not affect the number of Senior Assistant Com^rs fixed in Rule XII of the Mysore Civil Service Rules of 27th June 1907.
X	The point was noticed by the Comptroller in his report on the Land Revenue Budget for 1910-11. In the course of the consideration of this point by the ~~Govt~~ Govt. a side question arose of increasing the number of Senior Assistant Com^rs itself which, however, was ordered to be dropped; but no orders were passed ~~on the~~ regarding the objection to the sub pro tem appointments pointed out by the Comptroller.

Extract from the Comptroller's Report on the Land Revenue Budget Estimate for 1911-12. ——

× × ×.

Under 7 Assistant Commrs the total number of Senior Asstt Commrs for whom provision is made in the different depts. comes to 10, whereas the scale fixed for such Officers is only 8. This difference is due to the fact that the appointments of the Registrar of Cooperative Societies, Kolar Gold ~~Fields~~ Mines Asstt Commr Registrate and other Special Officers enumerated in G.O. No. G.3613-G.R.42-09-41 dated 12th January 1910 are regarded as deputations & acting arrangements are sanctioned in consequence even though, according to the G.O. referred to, these appointments are to be treated as Asstt Commrs' regular charges. This question was raised last year in the report on the current year's Land Revenue Budget but no orders have been passed thereon. In the absence of definite orders on the question already raised, the provision is allowed to stand more especially as the acting appointments or so-called deputations have been sanctioned by the Govt. As under this arrangement,

however, the actual number exceeds the sanctioned scale, it is a question for orders of Govt. Whether the provision for Senior Assistant Commissioners should not be reduced so as to provide for only 2 instead of 4 in the Revenue Dept: in view of bringing the total provision to only 8 as per sanctioned scale.
